Cash Tracker™ Retail

Protects cash in all types of retailers and tracks it for recovery

In any retail environment, cash will always prove to be an attractive target for robbers. That's why it pays to protect it with Cash Tracker. Cash Tracker is a powerful tracking device that blends with other currencies. It automatically detects crime and silently starts updating its location to 3SI's advanced tracking system.

When the Crime Occurs

Once the tracker is activated, our own 24/7 security team and local law enforcement are instantly informed. Our advanced tracking system reports the location of the cash every step of the way while law enforcement pursues and apprehends the robbers.

Features

- Protects cash where it is stored
- Thin and flexible
- Triggers automatically with continuous motion and silently reports to 3SI tracking website
- Location updates from GPS, Cellular or WiFi* sent to secure website every 6 seconds
- Reliable performance ensured via daily battery check and semi-monthly health check with a cellular connection
- Text and email notifications of activations and device status
- Stores location data if cellular signal is lost to preserve tracking data
- RF to pinpoint final device location
- DIY-friendly for installation and charging
- Simple inductive charging

3SI Path to Asset Recovery
