**ARMED ROBBERY**

#### Pharmacy – Baltimore, MD – January 1

A lone male suspect entered the pharmacy and milled about, acting like he was shopping. He then approached a non-pharmacy cashier and produced a handgun while demanding cash. The suspect obtained about \$700 in cash and a **Cash Tracker™**. The suspect was seen leaving the store on foot. Responding patrol officers began to follow the tracking data from Cash Tracker and located the suspect fleeing on a bike. The suspect was apprehended. The \$700 in cash, the tracker and the handgun used were recovered, all still in the suspect's possession at time of arrest.

**ARMED ROBBERY**

#### Pharmacy – Annapolis, MD – February 9

A lone male suspect entered the pharmacy, produced a handgun, and demanded narcotic medications. He was given an undetermined amount of drugs and a **PharmaTracker®**. The suspect fled the scene in a vehicle. Responding officers used the tracking data from PharmaTracker to pursue the vehicle. When they located it, the suspect had already bailed out and was on foot. The handgun used was recovered in the vehicle. As the set up perimeter was slowly closed, the stolen narcotics were located after being abandoned by the suspect. Shortly thereafter the suspect was located and arrested without incident. All the stolen narcotics were recovered and kept off the streets.

**\$20,000 – Full Recovery**
